

Ten Great Reasons to Choose Copperfield Preschool

1. We have a record of compliance with licensing, fire and Alberta Health and Safety since September 2006. That's something to be proud of in our opinion. Feel free to check the compliance records of other preschools.
2. All our staff are experienced and qualified to take care of your child this helps to ensure the best possible learning experience, and we never use volunteer or unqualified staff to look after your child for the purpose of child/teacher ratio as many other preschools do. All our staffs are also certified child first aiders. This is higher than regulatory requirement
3. We have a proven curriculum based program to help your child build their skills and confidence before they go to Kindergarten.
4. We work with the Lead Foundation and I'm for Kids for early child interventions.
5. Our facility is specifically designed as a preschool to ensure your child's safety and comfort. It is not an adapted space. Our preschool is relaxing and colorful, with plenty of natural daylight.
6. We let you choose your child's snack, because of allergies and the respect for a child or parent's nutritional preference.
7. We are licensed and part of the government subsidy program.
8. We are recommended by parents for having an excellent program along with a friendly, inviting and welcoming atmosphere.
9. Our standards of safety and hygiene are above standard requirements. Including continual cleaning and sanitation of toys, parent password program, a gated barrier to allow for a more secure and controlled handover between the school and parents, double thickness firewall in all internal walls and a smoke barrier in the roof.
10. We have an open door policy which means you are always welcome to check how your child is doing. We always have time to answer your questions or concerns.

Our priority is to help your child have a wonderful experience at preschool, which will give them the confidence to adapt quickly at Kindergarten. We are always happy to see the children after they have left us (and many do) so please feel free to come in and see us. We also have parent comment cards that are available to view on request.
