COPPERFIELD PRESCHOOL SUMMER CAMP!

July 2- August 29 2019

Canada and Cultures \$190/child July 2-5

Our Summer Camp 2019 will kick off by celebrating Canada Day and The Calgary Stamped! What better way to do this than a yummy Pancake Breakfast? We will be proud of being Canadian and celebrate our various cultures. We will discover each family's background and learn how great we are that we have so many different cultures in Canada. We hope families can contribute something from their culture: a favorite dish, a dance, or something that speaks to your background. We will think about the world, share our opinions, and have open discussions.

*We will start our Yoga, French and Piano Class's which will continue throughout the summer.

Music \$210/child July 15-19

This is our rock star week! We will spend time listening to, making, and learning all things music. We will learn songs in English, French and Sign Language. We will continue learning how to play a digital piano, drums and other instruments. Let's get creative by making our very own, unique instruments and start a band!

Arts and Crafts \$230/child July 22-26

Let's visit the Glenbow Museum and gain inspiration to find our inner artists! We will experience both student lead and teacher lead art in a multitude of fascist. We will look to our students and scaffold their interests to create some truly unique pieces.

Nature Exploration \$230/child July 8-12

We will go to Fish Creek Park and make discoveries about nature! We will make plant and rock specimens and keep journals of our findings. We will practice yoga outside, have a picnic, and spend time connecting to nature. Let's make volcanos and then head outside to watch them erupt!

S.T.E.A.M \$230/child July 29-August 2

Woo! We are going to do an intensive Lego challenge! We will be making cars to race completed by an awards ceremony. We will dive into science and technology by discovering fun ways to play with math, engineering, and investigate STEAM skills and theories. For our field trip, we will visit TELUS Spark!

Animals \$220/child August 6-9

Let's go to the Zoo! We will spend time focusing on different animals, their habitats, and be introduced to different animal vocabulary in English, French, and sign Language. We will do animal related games, yoga, music, arts, and crafts.

Healthy Life \$190/child August 19-23

Let's create healthy habits! We will focus on nutrition, social skills, safety, exercise, and relaxation strategies. We will spend time playing cooperative games and have some Outdoor Yoga Classes!
